HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."—Mrs. E. H. Bean, 325 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

Two Men Killed.

Two men were cut literally to pieces on the Santa Fe road last night between Pauls Valley and Ardmore when a freight train, on the trucks of which they were reported to be riding, struck their bodies. The identity of the victims was not known when the train on which A. A. Holmes was returning from Thackerville to Chickasha passed the spot.

Return from Trip to Coast.

Dr. R. P. Tye and Judge Frank Baker returned last evening from a trip which took them to Dallas, Houston and Galveston. "We had a very pleasant stay at each place," said Dr. Tye. "The only thing that marred the trip was when Judge Baker lost his pipe which was sweetened by age and full of nicotine. He brought this pipe with him from Kentucky when he was a middle-aged man half a century ago and prized it very highly. I think it was handed down to him by a descendant of Daniel Boone who brought it across the mountains to Kentucky. It had been in service continuously ever since and the judge was inconsolable when he lost it. We spent last Sunday on the beach at Galveston and I had considerable trouble in getting the judge away."
